At Dor Hadash we believe in customized care for each individual child. Every child is special - one of a kind - with a unique learning style. Every child learns at his/her own pace.

With this in mind, we provide a rich and inviting educational environment, a place to explore & learn.

The parents of our students are partners in education through our open door policies and attentiveness.

Your child deserves the best and so we provide the best. We implement the latest educational theories and systems, including multiple intelligences, Brain Gym® and more. We provide an excellent education, teaching our students a love for Jewish and Israeli traditions.

Our unique staff includes trained educators, an in-house Educational Consultant, a Gym/Yoga teacher and more.
